Mr. Greg Jerome
Canadian Children's Brain Cancer Foundation
91 Cranford Green SE
Calgary, Alberta
T3M 1V2

Dear Mr. Jerome:

SickKids is grateful for Canadian Children's Brain Cancer Foundation's generous gift of \$10,000 towards Diffuse Intrinsic Pontine Glioma (DIPG) Research.

As a world-leader in paediatric research, SickKids is constantly investing in the talent, tools, and ideas that will deliver tomorrow's breakthroughs. With Canadian Children's Brain Cancer Foundation's support, SickKids will continue the relentless pursuit of children's health.

It is only through research that we will better understand complex childhood diseases, discover treatments and cures, and ultimately save and improve young lives. And it is because of donors like Canadian Children's Brain Cancer Foundation that we're able to move more rapidly from lab discoveries to life-saving treatments.

Thank you for helping us to fight the greatest challenges in child health. Together, there are no limits.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ted Garrard'.
